

1
00:00:00,300 --> 00:00:04,019
Sarah Foss: From the Alex Trebek
Stage at Sony Pictures Studios,

2
00:00:04,230 --> 00:00:07,890
Music: this is Inside Jeopardy!.

3
00:00:08,460 --> 00:00:11,700
Sarah Foss: Hello and welcome back to
Inside Jeopardy!, your exclusive and

4
00:00:12,080 --> 00:00:16,000
official podcast destination for all
things happening in the world of Jeopardy!.

5
00:00:16,485 --> 00:00:19,904
I'm Sarah Foss, and if you could only
see the motions that he's doing right

6
00:00:19,904 --> 00:00:22,395
beside me, I'm joined by Buzzy Cohen.

7
00:00:22,395 --> 00:00:24,165
You can't break my concentration

8
00:00:24,165 --> 00:00:24,464
Buzzy Cohen: buzzy.

9
00:00:24,464 --> 00:00:25,034
Too late.

10
00:00:25,040 --> 00:00:25,755
It's happened.

11
00:00:25,755 --> 00:00:26,924
Thank you for having me, Sarah.

12
00:00:26,924 --> 00:00:30,945
I mean, this is the most small, talky
way to get into this podcast, but how

13

00:00:30,950 --> 00:00:33,405
about this weather we're having in Los

14
00:00:33,405 --> 00:00:33,974
Sarah Foss: Angeles?

15
00:00:33,980 --> 00:00:36,045
You know, It's unbelievable.

16
00:00:36,045 --> 00:00:38,955
And I've been talking to a lot of people
on the east coast and they keep telling

17
00:00:38,955 --> 00:00:41,745
me, oh yeah, what is it like 70 and sunny?

18
00:00:41,745 --> 00:00:42,765
And I'm like, no, really?

19
00:00:42,769 --> 00:00:43,754
We're having some serious

20
00:00:43,754 --> 00:00:44,025
Buzzy Cohen: weather.

21
00:00:44,085 --> 00:00:47,894
Yeah, it's, it's hail, busy
conditions, hail, wind, gusts, grapple.

22
00:00:48,630 --> 00:00:51,360
, which is one of those interesting
winter weather events.

23
00:00:51,360 --> 00:00:51,660
That's Apple.

24
00:00:52,020 --> 00:00:54,270
Yeah, it's like kind of
in between hail and snow.

25
00:00:54,270 --> 00:00:55,260
I learned all about this.

26

00:00:55,350 --> 00:00:59,670

This is like maybe an inside
Jeopardy exclusive, but I am actually

27

00:00:59,670 --> 00:01:02,310

the host of another television
show, which has yet to air,

28

00:01:02,820 --> 00:01:05,150

Sarah Foss: I know about this,
but share with the people they

29

00:01:05,150 --> 00:01:05,470

Buzzy Cohen: wanna know.

30

00:01:05,730 --> 00:01:09,000

I only bring this up because we had
an episode about extreme weather and

31

00:01:09,000 --> 00:01:12,240

we had two meteorologists explain
how all of these crazy things happen.

32

00:01:12,240 --> 00:01:12,600

I learned.

33

00:01:13,310 --> 00:01:14,720

It's called the Einstein Challenge.

34

00:01:14,780 --> 00:01:15,440

You can keep your eye.

35

00:01:15,440 --> 00:01:16,220

It'll come out this year.

36

00:01:16,250 --> 00:01:16,940

2023.

37

00:01:17,090 --> 00:01:17,360

It's coming.

38

00:01:17,540 --> 00:01:20,720

But um, back to here in Los Angeles, we are bundled up.

39

00:01:20,720 --> 00:01:21,680

It is wild.

40

00:01:21,980 --> 00:01:25,190

Uh, I was driving one of my kids in the car and they freaked out

41

00:01:25,190 --> 00:01:26,660

when it started, like hailing?

42

00:01:26,720 --> 00:01:26,960

Sarah Foss: Yeah.

43

00:01:26,960 --> 00:01:28,130

I was taking pictures.

44

00:01:28,130 --> 00:01:29,720

You'd think I'd never seen hail before.

45

00:01:29,720 --> 00:01:34,550

Yeah, but don't be concerned because Buzzy Cohen still despite rain, wind,

46

00:01:34,550 --> 00:01:36,830

chill, hail you grapple, you name it.

47

00:01:37,070 --> 00:01:38,810

Dressed to the ninths yet again.

48

00:01:38,810 --> 00:01:39,170

Buzzy.

49

00:01:39,170 --> 00:01:39,470

Yeah.

50

00:01:39,470 --> 00:01:39,830

I had,

51

00:01:39,830 --> 00:01:40,620

Buzzy Cohen: I had a.

52

00:01:41,080 --> 00:01:44,920

My old overcoat and, uh, felt hat to keep my head warm.

53

00:01:45,100 --> 00:01:49,030

I kind of feel like I look like, uh, Elvis Costello playing a hitman

54

00:01:49,035 --> 00:01:52,750

on a very special episode of N Y P D Blue or something like that.

55

00:01:53,250 --> 00:01:53,850

with a pocket

56

00:01:53,850 --> 00:01:54,119

Sarah Foss: square.

57

00:01:54,270 --> 00:01:55,170

With a pocket square.

58

00:01:55,170 --> 00:01:55,440

Yeah.

59

00:01:55,530 --> 00:01:57,720

You can't take the fashion outta the buzzy no matter what.

60

00:01:57,720 --> 00:02:00,090

Steal my vibe, the weather brings and I can't my, and I love that.

61

00:02:00,090 --> 00:02:03,270

Meanwhile, I'm in a cashmere turtleneck, , got a puffer coat.

62

00:02:03,570 --> 00:02:04,950

I am like bundled up.

63

00:02:05,100 --> 00:02:07,679
Buzzy Cohen: Reminded of your
story that you told about being

64

00:02:07,679 --> 00:02:10,470
in uh, Michigan and just not, yes,

65

00:02:10,470 --> 00:02:13,920
Sarah Foss: Northern Michigan
never did quite adapt to that

66

00:02:13,920 --> 00:02:15,540
weather, but I loved my time there.

67

00:02:16,500 --> 00:02:17,760
Well, here on Jeopardy.

68

00:02:18,440 --> 00:02:24,290
In the jeopardy at, as Michael Davies
likes to call it, j a t, jeopardy airtime.

69

00:02:24,645 --> 00:02:27,105
We have the Jeopardy High School
reunion tournament going on,

70

00:02:27,105 --> 00:02:28,695
something we've never done before.

71

00:02:29,025 --> 00:02:31,515
Kicking off last week, 27.

72

00:02:31,515 --> 00:02:34,335
Former teen contestants,
we've told you this before.

73

00:02:34,340 --> 00:02:37,275
They played in season 35 in
two different teen tournaments.

74

00:02:37,545 --> 00:02:38,715
They were so fantastic.

75
00:02:38,720 --> 00:02:40,935
We wanted to ask them back a reminder.

76
00:02:41,415 --> 00:02:45,105
. It's a 14 day special event,
nine quarterfinal games, three

77
00:02:45,105 --> 00:02:49,635
semi-finals and Buzzies favorite,
a two a two day total point affair.

78
00:02:49,635 --> 00:02:55,005
Fair winner of this tournament, receiving
a grand prize of \$100,000 and a spot

79
00:02:55,005 --> 00:02:57,075
in our next tournament of champions.

80
00:02:57,105 --> 00:02:57,165
Wow.

81
00:02:57,675 --> 00:03:01,055
What's been fun about these games
is the way we're starting each show.

82
00:03:01,769 --> 00:03:04,890
, we're showing you a clip from their
initial run, and then we kind of

83
00:03:04,890 --> 00:03:06,989
dissolve into a shot of them now.

84
00:03:06,989 --> 00:03:10,500
And boy have these young humans,
what were we calling them?

85
00:03:10,950 --> 00:03:11,190
Uh,

86
00:03:11,190 --> 00:03:11,429
yeah,

87
00:03:11,429 --> 00:03:12,510
Buzzy Cohen: we have recent grownups.

88
00:03:12,515 --> 00:03:13,410
Recent recent adults.

89
00:03:13,415 --> 00:03:14,310
Sarah Foss: Recent adults.

90
00:03:14,310 --> 00:03:15,390
These recent adults.

91
00:03:15,390 --> 00:03:16,670
Man, they have just.

92
00:03:16,960 --> 00:03:22,090
Evolved in just a few short years, and
it's been so much fun to see them again.

93
00:03:22,090 --> 00:03:24,580
It's been so much fun to
see Myam Bilic back as host.

94
00:03:24,580 --> 00:03:28,390
Yeah, this is actually her first
time in syndication for season 39.

95
00:03:28,395 --> 00:03:28,450
Wow.

96
00:03:28,810 --> 00:03:33,280
We reminded folks that Ken Jennings
will be back on March 10th, and

97
00:03:33,280 --> 00:03:36,640
then he's going to continue the
rest of his syndicated run, which

98
00:03:36,640 --> 00:03:38,959
will take us through April 28th.

99

00:03:39,250 --> 00:03:42,700
And then Maya will take over on
May 1st and she'll take us all

100

00:03:42,700 --> 00:03:44,290
the way through to the summer.

101

00:03:44,320 --> 00:03:45,440
Buzzy Cohen: Mark your calendars.

102

00:03:45,975 --> 00:03:49,095
I wanna talk about those teen
glow up cuz they have really,

103

00:03:49,095 --> 00:03:50,175
you know, it's a lot right?

104

00:03:50,175 --> 00:03:50,475
Yeah.

105

00:03:50,475 --> 00:03:53,175
You, you kind of figure yourself
out a little bit in those years.

106

00:03:53,175 --> 00:03:56,445
I think it's very funny that
you're doing this, we're kind

107

00:03:56,445 --> 00:03:57,975
of doing like a flash forward.

108

00:03:58,065 --> 00:03:58,185
Yes.

109

00:03:58,185 --> 00:04:02,385
When, right now trending on TikTok
is the teen filter where everybody

110

00:04:02,770 --> 00:04:04,215
looks like a teenager again.

111

00:04:04,215 --> 00:04:05,355
So kind of going

112
00:04:05,445 --> 00:04:05,845
Sarah Foss: in reverse.

113
00:04:05,845 --> 00:04:06,125
Yeah.

114
00:04:06,125 --> 00:04:09,195
I don't know if I wanna try that
filter on cuz then, you know, I gotta

115
00:04:09,195 --> 00:04:11,175
go back to the mirror and a teenager

116
00:04:11,175 --> 00:04:11,265
Buzzy Cohen: I.

117
00:04:11,925 --> 00:04:12,555
No, it doesn't.

118
00:04:12,555 --> 00:04:14,984
It's not, it's not really, it
doesn't really work that well.

119
00:04:15,165 --> 00:04:15,195
Okay.

120
00:04:15,195 --> 00:04:15,975
You're not missing anything.

121
00:04:15,975 --> 00:04:16,575
Sarah Foss: Well, thanks.

122
00:04:16,575 --> 00:04:17,385
See, I don't even have to try it.

123
00:04:17,385 --> 00:04:19,185
I don't even have, I don't
even have to go on TikTok.

124

00:04:19,185 --> 00:04:20,024
Thank you, buzzy.

125

00:04:20,084 --> 00:04:20,565
You're welcome.

126

00:04:20,714 --> 00:04:21,945
All right, well, let's do it.

127

00:04:21,950 --> 00:04:23,445
Let's get into the recaps.

128

00:04:29,100 --> 00:04:35,100
We kicked off the tournament with Rohit Kataria, Maya Wright and Audrey Saren.

129

00:04:35,580 --> 00:04:39,030
This was a fun game, our first quarter, final game, and it was dominated

130

00:04:39,030 --> 00:04:42,840
by Maya in the Jeopardy round 14 correct responses and a daily double.

131

00:04:43,140 --> 00:04:46,140
She takes that strong lead heading into the double jeopardy round,

132

00:04:46,140 --> 00:04:50,130
but in jeopardy, we featured a great category, a crash.

133

00:04:51,075 --> 00:04:52,184
In John Green.

134

00:04:52,604 --> 00:04:54,554
Audrey, I don't know if you saw her reaction.

135

00:04:54,554 --> 00:04:58,635
She was so thrilled to see John Green as we were to record with him.

136

00:04:58,875 --> 00:04:59,715

It was a pleasure.

137

00:04:59,715 --> 00:05:02,325

We actually traveled to
Cleveland to record this, where

138

00:05:02,325 --> 00:05:04,304

he does a lot of his podcasts.

139

00:05:04,304 --> 00:05:05,489

So lot of fun

140

00:05:05,715 --> 00:05:06,315

Buzzy Cohen: had by all.

141

00:05:06,405 --> 00:05:10,184

Speaking of TikTok, John Green and his
brother Hank Great Follows on TikTok.

142

00:05:10,395 --> 00:05:11,775

Very smart, interesting guys.

143

00:05:11,924 --> 00:05:14,655

And it's funny that this category
aired because just a week

144

00:05:14,655 --> 00:05:16,005

before it aired, I had no idea.

145

00:05:16,420 --> 00:05:16,690

Gonna be a

146

00:05:16,690 --> 00:05:17,020

Sarah Foss: category.

147

00:05:17,020 --> 00:05:17,080

Yeah.

148

00:05:17,110 --> 00:05:19,480

As Buzzy tells you, he knows
nothing idea about what's

149

00:05:19,480 --> 00:05:20,050
Buzzy Cohen: happening.

150

00:05:20,370 --> 00:05:24,490
, I barely know where I am right now, but
I was talking with Sarah and our podcast

151

00:05:24,490 --> 00:05:28,990
producer Alexis, saying, Hey, John,
and Hank Green would be great people

152

00:05:28,990 --> 00:05:33,610
to have on Celebrity Jeopardy if that
comes back looking like it's coming back.

153

00:05:33,640 --> 00:05:36,910
And they're like, oh, we just filmed
a category with him, and I believe

154

00:05:36,910 --> 00:05:38,590
there might be a reference to.

155

00:05:39,120 --> 00:05:42,390
John Green coming up in a later episode.

156

00:05:42,390 --> 00:05:44,820
I remember speaking with a certain writer.

157

00:05:45,280 --> 00:05:48,510
Oh yeah, stay tuned,
but back to this game.

158

00:05:48,690 --> 00:05:49,530
Double jeopardy.

159

00:05:49,590 --> 00:05:50,370
Double jeopardy.

160

00:05:50,370 --> 00:05:52,590

Maya continues the onslaught.

161
00:05:52,590 --> 00:05:55,500
A \$2,400 daily double.

162
00:05:55,860 --> 00:05:57,630
Sarah Foss: And another
10 correct responses.

163
00:05:57,840 --> 00:05:58,500
Very impressive.

164
00:05:58,500 --> 00:06:01,470
Giving her a no doubt runaway win.

165
00:06:01,470 --> 00:06:04,290
Kicking this tournament off
with an exclamation point.

166
00:06:04,290 --> 00:06:06,330
She also gets final jeopardy, correct?

167
00:06:06,330 --> 00:06:06,990
The only one to do

168
00:06:06,995 --> 00:06:07,320
Buzzy Cohen: so.

169
00:06:07,320 --> 00:06:12,390
So Maya is our first semi-finalist
going into Tuesday's game second quarter

170
00:06:12,390 --> 00:06:15,360
final with Alison Purl, Jack izo, and.

171
00:06:15,950 --> 00:06:17,060
Avi Gupta.

172
00:06:17,479 --> 00:06:19,549
Sarah Foss: So fun to welcome
all three of them back.

173

00:06:19,549 --> 00:06:22,430

But Avi in particular, he's
been up to good things.

174

00:06:22,460 --> 00:06:23,090

Yeah, I remember

175

00:06:23,090 --> 00:06:23,419

Buzzy Cohen: him.

176

00:06:23,419 --> 00:06:26,570

He made a big impression on me
when he was on the first time.

177

00:06:26,659 --> 00:06:26,990

Yeah.

178

00:06:27,049 --> 00:06:27,320

And

179

00:06:27,409 --> 00:06:28,460

Sarah Foss: has accomplished a lot.

180

00:06:28,460 --> 00:06:31,340

But one of the things he talked about in
his interview, which is so impressive,

181

00:06:31,340 --> 00:06:34,969

is that he actually created a fund for
pancreatic cancer research at a local

182

00:06:34,974 --> 00:06:39,890

cancer institute to honor Alex Trubek, who
had just announced his diagnosis shortly.

183

00:06:40,890 --> 00:06:45,960

Avi's Teen Tournament aired and as
of today, he's raised over \$200,000.

184

00:06:45,960 --> 00:06:46,440

So wow.

185

00:06:46,830 --> 00:06:50,250
Avi does not need the Jeopardy High
School reunion tournament to know

186

00:06:50,250 --> 00:06:55,919
that he is a success and in this game,
you know, was not his game early on.

187

00:06:56,340 --> 00:06:59,760
Buzzy Cohen: No, I mean, let's talk
about, uh, buzzy look like Jack iso.

188

00:06:59,760 --> 00:07:00,669
Sarah Foss: Oh yeah.

189

00:07:00,929 --> 00:07:02,789
You know, people did say
that on the tape day.

190

00:07:02,849 --> 00:07:06,059
Like he's a young buzzy
Cohen, good glasses,

191

00:07:06,065 --> 00:07:07,590
Buzzy Cohen: smart
handsomer, sharp dressed.

192

00:07:07,935 --> 00:07:08,534
Yes.

193

00:07:08,594 --> 00:07:09,105
Less.

194

00:07:09,255 --> 00:07:10,215
Yes, absolutely.

195

00:07:10,455 --> 00:07:11,145
Uh, less, yes.

196

00:07:11,145 --> 00:07:15,344
I'm just gonna, just gonna leave that,
uh, for the other podcast inside Buzzies

197
00:07:15,344 --> 00:07:19,275
Insecurities, which Alexa has also
said she'll produce, but Jack plays an

198
00:07:19,275 --> 00:07:25,215
incredible jeopardy round, including
11 correct responses and a \$4,600.

199
00:07:25,370 --> 00:07:29,510
Deli double, and this was
a very, very close game.

200
00:07:29,870 --> 00:07:31,670
Allison, you know we're
talking about Jack and Avi.

201
00:07:31,670 --> 00:07:35,360
Allison had 12 correct responses
in the double jeopardy round

202
00:07:35,570 --> 00:07:39,050
and is just \$9,000 off of.

203
00:07:39,495 --> 00:07:42,015
Jack's lead everyone very much in this.

204
00:07:42,015 --> 00:07:47,175
I did watch this week of shows thinking,
wow, it has kind of been a while since

205
00:07:47,355 --> 00:07:50,025
final jeopardy was such a factor.

206
00:07:50,025 --> 00:07:53,175
We've kind of been in this
era of a lot of runaways.

207
00:07:53,175 --> 00:07:55,875
You know, someone will have two or
three runaway games and then lose this.

208

00:07:56,040 --> 00:07:56,640
Week.

209
00:07:56,640 --> 00:07:59,340
Really tight games that
came down to finals.

210
00:07:59,340 --> 00:08:00,000
So exciting.

211
00:08:00,150 --> 00:08:00,540
Yeah,

212
00:08:00,600 --> 00:08:04,410
Sarah Foss: and in the end, Avi Gupta,
the only one to come up with the correct

213
00:08:04,415 --> 00:08:09,030
response in that all important final,
he moves on to the semi-finals, a place

214
00:08:09,030 --> 00:08:10,480
he is familiar with from his first.

215
00:08:11,070 --> 00:08:11,880
Teen tournament.

216
00:08:12,120 --> 00:08:15,780
I do wanna point out one clue that, you
know, people did comment on, yeah, it was

217
00:08:15,780 --> 00:08:18,390
Homecoming for 1600 in double jeopardy.

218
00:08:18,719 --> 00:08:21,780
Her public memorial service
took place at the lavish Home

219
00:08:21,780 --> 00:08:24,750
Graceland on January 22nd, 2023.

220
00:08:25,109 --> 00:08:27,240

Of course, the response
was Lisa Marie Presley.

221

00:08:27,780 --> 00:08:31,469
People were very curious how we
turned this around so quickly, but

222

00:08:31,799 --> 00:08:35,669
this tournament, we didn't record
these shows until January 29th.

223

00:08:35,669 --> 00:08:39,510
Our post-production team worked overtime
to get them on the air so quickly.

224

00:08:39,750 --> 00:08:42,990
And when we have those tight
turnarounds, that's when we have the

225

00:08:42,990 --> 00:08:44,880
chance to do these very timely clues.

226

00:08:44,880 --> 00:08:48,030
So even though it was very recent
in the news, our writers turned

227

00:08:48,030 --> 00:08:50,880
that around quickly and we were
able to have one of these timely

228

00:08:50,880 --> 00:08:51,240
Buzzy Cohen: clues.

229

00:08:51,420 --> 00:08:54,600
I'm imagining that this post-production
team, like you opened a door and there

230

00:08:54,600 --> 00:08:57,480
was just hundreds of people just like,
you know, like the scene in, in, uh,

231

00:08:57,480 --> 00:09:00,210
Willy Won and the Chocolate Factory

when they're opening all the candy bars.

232

00:09:00,210 --> 00:09:00,300
Yes.

233

00:09:00,300 --> 00:09:01,380
That's what I'm picturing.

234

00:09:01,740 --> 00:09:05,370
We move into Wednesday's
fast turnaround game.

235

00:09:05,490 --> 00:09:08,340
We have Sri Car Mabuchi.

236

00:09:08,580 --> 00:09:11,490
, autumn Shelton and Stephanie
Pearson all going for one of

237

00:09:11,490 --> 00:09:13,650
these much sought after semi-final

238

00:09:13,655 --> 00:09:14,070
Sarah Foss: spots.

239

00:09:14,070 --> 00:09:14,370
Yes.

240

00:09:14,370 --> 00:09:16,770
And in the jeopardy round,
Stephanie ended it with only

241

00:09:16,775 --> 00:09:19,320
a third place total of \$2,800.

242

00:09:19,320 --> 00:09:23,220
She was nearly \$9,000 behind
first place Sh Streetcar.

243

00:09:23,550 --> 00:09:25,020
But boy, in double jeopardy.

244

00:09:25,020 --> 00:09:27,030

You know sh Streetcar had
another impressive round.

245

00:09:27,030 --> 00:09:29,430

It looked like he was gonna
be running away with the game,

246

00:09:29,820 --> 00:09:30,660

but here comes Stephanie.

247

00:09:30,660 --> 00:09:32,160

She finds that last daily double.

248

00:09:32,160 --> 00:09:36,180

She goes all in and she gets
within striking distance of Shri.

249

00:09:36,839 --> 00:09:41,730

Who ended the round with a great
score of over \$25,000 came down to

250

00:09:41,730 --> 00:09:42,089

Buzzy Cohen: final.

251

00:09:42,089 --> 00:09:46,319

This final jeopardy clue in the
category of people and places thought to

252

00:09:46,319 --> 00:09:48,380

descend from people of Southeast Asia.

253

00:09:48,880 --> 00:09:53,310

The Chamorro make up this US
territory's largest ethnic

254

00:09:53,314 --> 00:09:53,699

Sarah Foss: group.

255

00:09:53,880 --> 00:09:54,150

Yeah.

256

00:09:54,150 --> 00:09:56,189
Autumn goes with US Virgin Islands.

257

00:09:56,459 --> 00:10:02,189
Shrek goes with American Samoa, but
Stephanie, she knows it is Guam.

258

00:10:02,459 --> 00:10:03,329
She is correct.

259

00:10:03,329 --> 00:10:06,810
She pulls that come from behind
when in the post-game chat, she

260

00:10:06,810 --> 00:10:08,900
talked about just being so nervous.

261

00:10:09,325 --> 00:10:10,225
About the math.

262

00:10:10,285 --> 00:10:14,245
You know, she wanted to make sure,
so she didn't just wanna win by \$1.

263

00:10:14,245 --> 00:10:18,865
She went to win by \$2 , just for
an extra security in the math.

264

00:10:19,705 --> 00:10:22,885
All right, well, we head
into our fourth four quarter

265

00:10:23,125 --> 00:10:24,415
Buzzy Cohen: Quin quarter final game.

266

00:10:24,415 --> 00:10:28,405
We head into the Thursday
quarter, que . This is kind of

267

00:10:28,405 --> 00:10:29,905
like the quarter quell, hold on.

268

00:10:29,965 --> 00:10:31,885
This is sort of like a quarter que.

269

00:10:32,000 --> 00:10:33,830
Like in Hunger Games,
we're bringing them back.

270

00:10:33,830 --> 00:10:35,990
You thought you survived, but
no, we're gonna make these So

271

00:10:35,990 --> 00:10:36,830
I meant, meant to say that.

272

00:10:36,830 --> 00:10:38,640
Here we are in the quarter Que

273

00:10:38,690 --> 00:10:40,190
Sarah Foss: Yes, I can say it correctly.

274

00:10:40,250 --> 00:10:40,340
Yeah.

275

00:10:40,370 --> 00:10:44,810
We head into our fourth quarter final
game on Thursday with Tegan o Sullivan,

276

00:10:44,900 --> 00:10:47,780
Sreya Y Laga, and Justin Bolson.

277

00:10:48,260 --> 00:10:51,410
Buzzy Cohen: Well, this was a
pretty tight jeopardy round.

278

00:10:51,845 --> 00:10:52,955
Could have been anybody's game.

279

00:10:53,195 --> 00:10:56,135
Sarah Foss: Yeah, fun to hear from
Justin in the interview about,

280

00:10:56,225 --> 00:10:57,905
you know, Justin's at the gym.

281
00:10:57,905 --> 00:11:01,805
He's hitting the leg extension
machine, as you do with a workout.

282
00:11:01,805 --> 00:11:06,695
Buddy gets the email, he's so excited,
but he has to keep it secret, so

283
00:11:06,875 --> 00:11:08,195
it was a long time after that.

284
00:11:08,200 --> 00:11:11,585
He actually got to tell his
gym buddy what the news was.

285
00:11:11,915 --> 00:11:13,625
Another fun category in the jeopardy.

286
00:11:14,280 --> 00:11:17,910
And a clue that was pretty, you know,
timely college football for \$600.

287
00:11:18,180 --> 00:11:26,190
Currently a chief part of the nfl, he
threw for 5,052 yards and 41 TDS in

288
00:11:26,190 --> 00:11:29,520
his last year, a Texas Tech in 2016.

289
00:11:29,970 --> 00:11:31,530
Of course, we all know his name.

290
00:11:31,535 --> 00:11:31,740
He's had a.

291
00:11:32,035 --> 00:11:34,675
Big last month Poo is Patrick Mahomes.

292
00:11:34,975 --> 00:11:39,505

But the fun fact is at the same time
that we were actually taping this clue,

293

00:11:39,714 --> 00:11:44,334
the chiefs were playing the Bengals
in the A FFC Championship game, and

294

00:11:44,334 --> 00:11:49,464
Patrick Mahomes had the ball in his
hand leading the chiefs down the field.

295

00:11:49,464 --> 00:11:52,165
At the exact moment, the
clue was being played.

296

00:11:52,165 --> 00:11:55,255
Now you wanna know how we
know this because our podcast

297

00:11:55,675 --> 00:11:57,475
producers Alexa, Carlos, you.

298

00:11:57,845 --> 00:11:59,675
We've got big 49ers fans.

299

00:11:59,675 --> 00:11:59,735
Yeah.

300

00:11:59,765 --> 00:12:01,025
And Big Eagles fans.

301

00:12:01,025 --> 00:12:02,735
So this was love of the job.

302

00:12:02,795 --> 00:12:07,055
They were dedicated to the show,
but they may have had a television

303

00:12:07,055 --> 00:12:09,155
on in the background so that
they could keep up with the game.

304

00:12:09,160 --> 00:12:11,705
So that's how you get these
Inside Jeopardy stats buzzy.

305
00:12:11,945 --> 00:12:14,135
Buzzy Cohen: Well, it's good to
know that they are as dedicated to

306
00:12:14,135 --> 00:12:18,275
the game as Justin Tria and Tegan
were in the double jeopardy round.

307
00:12:18,275 --> 00:12:19,295
Do you like that transition?

308
00:12:19,295 --> 00:12:19,835
See what you did there?

309
00:12:19,925 --> 00:12:22,535
Um, but Justin just turned it on big.

310
00:12:23,445 --> 00:12:26,655
Big daily double with
8,600 to going to a lead.

311
00:12:26,655 --> 00:12:33,915
However, 22,400 was not a runaway kria
finished within striking distance, another

312
00:12:33,915 --> 00:12:36,555
game that comes down to final jeopardy.

313
00:12:36,705 --> 00:12:41,595
This was one where all three contestants
got it and Justin bet enough to cover and.

314
00:12:41,975 --> 00:12:44,675
Was our fourth semi-finalist.

315
00:12:44,705 --> 00:12:45,095
Yes.

316

00:12:45,095 --> 00:12:47,375
Sarah Foss: And not only did
he bet enough to cover, but he

317
00:12:47,375 --> 00:12:49,085
knew exactly what he was doing.

318
00:12:49,115 --> 00:12:51,815
He wagered in such a sentimental way.

319
00:12:51,815 --> 00:12:57,935
So he wagered \$823 in honor of his mom's
birthday, August 23rd, and then his final

320
00:12:57,940 --> 00:13:04,984
score totaled \$23,223, which represented
the air date of the show, February 23rd.

321
00:13:05,285 --> 00:13:07,385
How he had the mindset to think seriously.

322
00:13:08,329 --> 00:13:11,930
In the few minutes we give our
contestants to wager for final jeopardy.

323
00:13:12,079 --> 00:13:12,199
I

324
00:13:12,199 --> 00:13:14,390
Buzzy Cohen: remember being
like 8,000 seems like a good

325
00:13:14,390 --> 00:13:14,600
Sarah Foss: number.

326
00:13:15,140 --> 00:13:16,040
. It's a round number.

327
00:13:16,160 --> 00:13:17,030
It's got zeros.

328
00:13:17,030 --> 00:13:18,140

I don't have to do much math.

329

00:13:18,170 --> 00:13:18,380
Buzzy Cohen: Yeah.

330

00:13:18,380 --> 00:13:18,949
Justin.

331

00:13:18,949 --> 00:13:19,430
Wow.

332

00:13:19,490 --> 00:13:23,780
Well, going into our Friday game,
last game of last week, we wrap it up.

333

00:13:24,150 --> 00:13:28,230
With Isabella Pagan,
Ryan Pressler and Jackson

334

00:13:28,230 --> 00:13:28,920
Sarah Foss: Jones.

335

00:13:28,980 --> 00:13:29,340
Yes.

336

00:13:29,340 --> 00:13:32,010
And I'm sure everyone was
realizing at this point, wait a

337

00:13:32,010 --> 00:13:33,810
minute, what happened to Romi?

338

00:13:33,810 --> 00:13:37,050
We heard Rotimi was going to be in
this high school reunion tournament.

339

00:13:37,420 --> 00:13:39,720
He wasn't able to compete
at the last moment.

340

00:13:39,930 --> 00:13:42,570
So Ryan Pressler was our alternate.

341
00:13:42,930 --> 00:13:47,970
Ryan was only an eighth grade when he was
a finalist in that 2019 teen tournament.

342
00:13:47,970 --> 00:13:51,330
So now, He's back, but
he's still in high school.

343
00:13:51,330 --> 00:13:55,020
He's a senior overachieving
in Sioux Falls, South Dakota.

344
00:13:55,080 --> 00:13:56,520
He gets the call up.

345
00:13:56,640 --> 00:13:58,470
He is in the high school
reunion tournament.

346
00:13:58,710 --> 00:14:03,060
Remember, we have indicated there
were 30 teens in those original two

347
00:14:03,060 --> 00:14:05,790
tournaments, only 27, able to compete.

348
00:14:05,795 --> 00:14:09,390
We are going to find a way to invite
the other three back at a later date.

349
00:14:09,390 --> 00:14:13,260
I know a lot of people online
this week were looking for Emma.

350
00:14:13,780 --> 00:14:15,550
they've gone back, they've
watched the reruns.

351
00:14:15,550 --> 00:14:16,420
They've of, they've seen Emma.

352

00:14:16,420 --> 00:14:19,599
She was an extraordinary finalist in
one of those original teen tournaments.

353
00:14:19,930 --> 00:14:22,120
She's, uh, studying abroad right now.

354
00:14:22,300 --> 00:14:23,949
Road Scholarship or something like that.

355
00:14:23,949 --> 00:14:24,640
Cambridge.

356
00:14:24,880 --> 00:14:24,939
No.

357
00:14:24,939 --> 00:14:25,390
Heard of it.

358
00:14:25,569 --> 00:14:28,510
And so she wasn't able, she wasn't
able to make the trip for us,

359
00:14:28,515 --> 00:14:31,270
but we'll make sure that we see
her back on the Alex Treck stage.

360
00:14:31,540 --> 00:14:33,370
Buzzy Cohen: Well, this was an exciting.

361
00:14:33,730 --> 00:14:34,600
Jeopardy round.

362
00:14:34,605 --> 00:14:36,040
Very high scoring.

363
00:14:36,040 --> 00:14:40,150
We had Jackson taking the lead
15 correct responses, including

364
00:14:40,150 --> 00:14:42,040
that \$2,600 daily double.

365

00:14:42,190 --> 00:14:44,680

But I want to talk about
Isabella's interview.

366

00:14:45,070 --> 00:14:45,340

Sarah Foss: Oh yeah.

367

00:14:45,680 --> 00:14:48,040

You know, nothing makes you feel as

368

00:14:48,460 --> 00:14:51,580

.
Buzzy Cohen: I was about to say, I'm
usually the young person at these

369

00:14:51,585 --> 00:14:53,830

tournaments, but all of a sudden she

370

00:14:53,830 --> 00:14:57,340

Sarah Foss: says to Myam, you
know, I was born during Ken

371

00:14:57,340 --> 00:14:59,200

Jennings run and when she was.

372

00:14:59,735 --> 00:15:02,885

Soon as she heard the Jeopardy
theme music, she would run into

373

00:15:02,885 --> 00:15:04,805

the living room and say, hi, Alex.

374

00:15:05,105 --> 00:15:07,355

So Ken, I'm sure you've been watching.

375

00:15:07,355 --> 00:15:07,415

Yeah.

376

00:15:07,835 --> 00:15:08,885

Don't feel bad.

377
00:15:09,035 --> 00:15:10,535
We were there during your run too.

378
00:15:10,565 --> 00:15:10,715
Yeah.

379
00:15:10,745 --> 00:15:12,455
None of us was being born.

380
00:15:13,195 --> 00:15:17,465
Buzzy Cohen: I'm glad Ken did not have
to be present to hear hear that story.

381
00:15:17,675 --> 00:15:21,185
But that sound you heard in the background
was my head hitting the, hitting the table

382
00:15:21,185 --> 00:15:22,955
when I realized just how old I'm getting.

383
00:15:23,495 --> 00:15:24,875
Double jeopardy round.

384
00:15:25,085 --> 00:15:26,135
Uh, Jackson once.

385
00:15:26,955 --> 00:15:27,915
Really in control.

386
00:15:27,915 --> 00:15:30,315
However, a lot of, uh,
incorrect responses.

387
00:15:30,320 --> 00:15:30,825
Well, 10, correct.

388
00:15:30,825 --> 00:15:31,575
Five incorrect.

389
00:15:31,815 --> 00:15:36,375
Uh, we call that an aggressive buzzer

player can work for you, can work

390

00:15:36,375 --> 00:15:38,805
against you, but it worked for Jackson.

391

00:15:38,865 --> 00:15:39,105
Sarah Foss: Yes.

392

00:15:39,110 --> 00:15:40,935
And impressive for all three players.

393

00:15:40,995 --> 00:15:44,025
Five digit scores across the
board heading into final.

394

00:15:44,025 --> 00:15:45,475
That's a sign of some good gameplay.

395

00:15:45,475 --> 00:15:49,995
Buzzy Cohen: Another game coming down
to final, and Jackson locked it up.

396

00:15:50,145 --> 00:15:50,355
He

397

00:15:50,360 --> 00:15:50,895
Sarah Foss: sure did.

398

00:15:50,895 --> 00:15:52,965
Ryan though, in the post-game
chat, he said, you know what?

399

00:15:52,965 --> 00:15:53,715
I'm still in high school.

400

00:15:53,715 --> 00:15:54,735
I feel like I held my.

401

00:15:55,319 --> 00:15:59,550
You definitely did Ryan, but it is Jackson
who is headed into the semi-finals.

402

00:16:00,150 --> 00:16:00,900

There you have it.

403

00:16:00,900 --> 00:16:04,829

Our first week in the first ever
Jeopardy high school reunion tournament.

404

00:16:05,160 --> 00:16:09,449

Great way to start it off with Maya,
Avi, Stephanie, Justin, and Jackson

405

00:16:09,719 --> 00:16:12,329

each securing their spot in the semis.

406

00:16:12,630 --> 00:16:16,290

We're looking forward to discussing
the four remaining quarter finals next

407

00:16:16,290 --> 00:16:20,490

week, as well as our first semi-final
game in the high school reunion to.

408

00:16:20,970 --> 00:16:21,390

I think

409

00:16:21,390 --> 00:16:23,850

Buzzy Cohen: we should officially
change the name from high school

410

00:16:23,850 --> 00:16:25,450

Reunion Tournament to the quarter quo.

411

00:16:25,859 --> 00:16:26,099

Sarah Foss: Okay.

412

00:16:27,604 --> 00:16:27,959

, you know what?

413

00:16:27,959 --> 00:16:31,859

Buzzy, we could officially do that
because I don't know that this is

414
00:16:31,859 --> 00:16:35,160
going to be an event that you know
is, is happening over and over again.

415
00:16:35,189 --> 00:16:35,250
Okay?

416
00:16:35,250 --> 00:16:37,050
So we'll just whatever you want.

417
00:16:37,050 --> 00:16:37,619
Buzz Buzz,

418
00:16:39,780 --> 00:16:39,989
Music: All

419
00:16:39,989 --> 00:16:40,290
Sarah Foss: right.

420
00:16:40,349 --> 00:16:42,150
For now, let's answer some viewer

421
00:16:42,150 --> 00:16:42,750
Music: questions.

422
00:16:42,750 --> 00:16:43,199
Cue those.

423
00:16:43,204 --> 00:16:43,890
Pee poops.

424
00:16:48,989 --> 00:16:50,959
Buzzy Cohen: Matt Hansen, 1990 on Reddi.

425
00:16:51,180 --> 00:16:53,969
Why is the high school reunion
tournament using the regular music

426
00:16:53,969 --> 00:16:57,420
instead of a music package tailored
to the teen slash college tomans?

427

00:16:57,660 --> 00:16:59,520
We've just been talking about
the music packages a lot.

428

00:16:59,699 --> 00:17:02,520
Matt Hansen is clearly finger
on the pulse of inside Jeopardy.

429

00:17:02,699 --> 00:17:03,839
I know you've got the answer.

430

00:17:03,839 --> 00:17:04,379
Sarah Foss.

431

00:17:04,379 --> 00:17:04,649
I do

432

00:17:04,649 --> 00:17:05,460
Sarah Foss: have the answer.

433

00:17:05,460 --> 00:17:09,149
It was fun to see how many people
were really inquiring about this.

434

00:17:09,149 --> 00:17:11,220
They expected to hear dun duh.

435

00:17:12,000 --> 00:17:14,730
You know, like our, our
typical teen or college music.

436

00:17:15,285 --> 00:17:18,165
, what we felt is that this
wasn't a teen tournament.

437

00:17:18,255 --> 00:17:18,525
Correct.

438

00:17:18,555 --> 00:17:20,535
This wasn't a college championship.

439

00:17:20,535 --> 00:17:21,105
Also true.

440

00:17:21,195 --> 00:17:24,075
And so we didn't wanna
brand it as either one.

441

00:17:24,105 --> 00:17:28,065
This was kind of a, a special
thing that we put together in

442

00:17:28,065 --> 00:17:30,075
a time when it just made sense.

443

00:17:30,075 --> 00:17:32,775
We had these, you know, 27 contestants.

444

00:17:33,105 --> 00:17:36,135
We had a chance to do a reunion
of sorts, and so it really is a.

445

00:17:36,530 --> 00:17:40,580
All of its own that I don't know we
will see in future years necessarily.

446

00:17:40,580 --> 00:17:44,090
So we didn't wanna brand it in a way
that would identify it as a tournament

447

00:17:44,090 --> 00:17:47,210
or a competition that we've done in the
past and that we may do again in the

448

00:17:47,215 --> 00:17:47,540
Buzzy Cohen: future.

449

00:17:47,720 --> 00:17:51,260
Alright, well, Doug asks, here's
a hypothetical scenario that has

450

00:17:51,260 --> 00:17:56,300
me wondering if both Audrey Sar

and Audrey Satchi make it to the

451

00:17:56,300 --> 00:17:59,540
high school reunion tournament
finals, how would they be addressed?

452

00:17:59,690 --> 00:18:00,680
Would one of them switch?

453

00:18:00,905 --> 00:18:04,835
Using a middle name for example,
since they're both Audrey s Wow.

454

00:18:04,925 --> 00:18:07,235
Can't even go Bachelor style on that one.

455

00:18:07,625 --> 00:18:11,735
Would Myam have to physically point
to whoever rung in first if both of

456

00:18:11,735 --> 00:18:13,655
them attempt to ring in on a clue?

457

00:18:13,835 --> 00:18:16,715
Has anything regarding this close
of a name similarity happened

458

00:18:16,720 --> 00:18:17,795
before and how was it handled?

459

00:18:18,170 --> 00:18:19,310
Sarah Foss: Well, this
is a great question.

460

00:18:19,770 --> 00:18:22,730
Normally, our contestant department
goes to great lengths to make sure

461

00:18:22,730 --> 00:18:26,720
that we don't book anyone with
the same name on the same tape

462

00:18:26,720 --> 00:18:28,700
day to avoid this exact thing.

463
00:18:29,000 --> 00:18:32,540
Now, there are times where we can't
anticipate who the returning champion

464
00:18:32,540 --> 00:18:37,730
will be, so we may have a returning
and champion like James Holtz Soer, and

465
00:18:37,730 --> 00:18:39,140
then we have new contestants come in.

466
00:18:39,140 --> 00:18:42,290
And this did happen during James's
run and also during Ken's and

467
00:18:42,290 --> 00:18:45,470
other super champions, or even
people on a streak where someone

468
00:18:45,470 --> 00:18:46,580
comes in, they have the same name.

469
00:18:46,580 --> 00:18:47,840
Our contestant department will say to.

470
00:18:48,375 --> 00:18:50,265
Is there a nickname you'd like to go by?

471
00:18:50,565 --> 00:18:53,655
And if they are agreeable to
that, then our host will refer

472
00:18:53,655 --> 00:18:54,825
to them as their nickname.

473
00:18:55,065 --> 00:18:58,335
Again, it has to be a nickname that
they're familiar with enough that when

474

00:18:58,335 --> 00:19:01,185
our host calls on them, they won't
be like, who are they talking to?

475
00:19:01,305 --> 00:19:06,254
Scrappy do . So we also give them the
option that if there isn't a nickname

476
00:19:06,260 --> 00:19:09,795
that they're comfortable with, they
can come back and play at a later date.

477
00:19:10,035 --> 00:19:13,995
Obviously, with this scenario and these
two Audreys from two separate teen

478
00:19:13,995 --> 00:19:19,850
tournaments, This has never happened
before in this way where if and when they

479
00:19:19,850 --> 00:19:22,370
advance, we can't swap out the players.

480
00:19:22,430 --> 00:19:25,580
You'll just have to stay tuned
and see what happens if the two of

481
00:19:25,580 --> 00:19:28,520
them end up in one game together.

482
00:19:28,580 --> 00:19:29,420
But a great question.

483
00:19:29,660 --> 00:19:32,090
Buzzy Cohen: Well, I can tell you that
from my experience, there has been a T O

484
00:19:32,095 --> 00:19:34,700
C final with two contestants named Austin.

485
00:19:35,440 --> 00:19:36,490
This blew my mind.

486

00:19:36,550 --> 00:19:38,080

Uh, deep, deep Jeopardy.

487

00:19:38,080 --> 00:19:41,259

Fans will know that my legal name is Austin and I faced Austin Rogers,

488

00:19:41,265 --> 00:19:42,520

but I've always gone by Buzzy.

489

00:19:42,525 --> 00:19:43,150

Sarah Foss: You were buzzy was not.

490

00:19:43,150 --> 00:19:46,750

We can never think of you as anything other than buzzy or as I like to.

491

00:19:46,755 --> 00:19:47,080

Kalia.

492

00:19:47,200 --> 00:19:47,740

Buzz Buzz.

493

00:19:48,000 --> 00:19:48,350

Buzzy Cohen: Aw.

494

00:19:48,610 --> 00:19:50,410

Well, that wraps up our show.

495

00:19:50,410 --> 00:19:54,490

Join us next Monday as we discuss the final four quarter final games and

496

00:19:54,710 --> 00:19:59,860

the first semi-final of the first ever Jeopardy High School reunion quarter.

497

00:20:00,605 --> 00:20:02,975

Sarah Foss: You heard it here first, and last.

498

00:20:03,305 --> 00:20:03,635
All right.

499
00:20:03,635 --> 00:20:04,655
We can't wait for that.

500
00:20:04,655 --> 00:20:08,254
As always, please make sure to subscribe
to the podcast, RA us, leave us a

501
00:20:08,254 --> 00:20:12,004
comment, share across social, follow us
at jeopardy on Twitter, on Instagram,

502
00:20:12,004 --> 00:20:16,475
on Facebook, on YouTube, and on TikTok,
and please send us your questions.

503
00:20:16,480 --> 00:20:17,525
We love to answer them.

504
00:20:17,850 --> 00:20:22,470
Inside Jeopardy podcast gmail.com
and we will see you all next week.
